

2011 Golden Nationals Show Information

Awards:

Points for overall class champions will be based on a 12 point system depending on the number of horses in each class. If 12 horses show, 12 points will be awarded to the first horse and so on down. If 9 horses show, 9 points will be awarded to the first place horse and so on down. All three judges placings will be added together to determine overall results. In the case of a tie, it will be broken by the most number of 1st place awards won by the horse/exhibitor, then the most 2nd places until the tie is broken. First place horses will receive the Golden Nationals Trophy, second through tenth place will receive ribbons. Eleventh and twelfth place will receive finalist ribbons.

Class Information:

Classes will be combined at the descretion of show management. Based on the PHBA handbook, if a point class can be reached by combining two classes (ie, yearling stallions with 1 horse and two year old stallions with 2 horses) then it will be done. The class will be placed as the combined class for PHBA points. If it is a combined class, the entries will then be separated for awarding of Golden National titles. For example, the 2 year old horse may have won the combined class under all three judges and earned 6 PHBA points and is the Golden National 2 Year Old Stallion Champion. The yearling may have placed second, earned 3 PHBA points and would be the Golden National Yearling Stallion. If classes are added they would be for PHBA points only (no awards).

Are you looking for ways to reduce your costs? We will be offering \$25 class sponsors. For every 2 class sponsors you bring in get \$5 off your entries at the Golden National Horse Show.
